ENVIRONMENTAL POLICY

Purpose

Hong Kong Ferry (Holdings) Company Limited (the “Company”) and its subsidiaries (collectively, the “Group”) believe business goes hand in hand with the long term well-being of the society. This Policy sets out the Group’s policy initiatives on environmental protection.

Policy Initiatives

The Group is committed to the following policy initiatives on environmental protection:

- To give due consideration to environmental issues in our corporate decision-making process and actively minimize the impact of our business operations on the environment.
- To continue to improve our environmental performance by complying or exceeding applicable environmental laws and standards, as well as adopting applicable local and international guidelines in our business operations.
- To attain sustainable building standards in areas of operations to promote local community sustainability.
- To integrate latest sustainable measures throughout buildings life-cycle from land acquisition and construction to operation, maintenance and demolition.
- To reduce energy consumption and improve energy efficiency, conserve resources, use renewable or recyclable materials, and dispose of waste in an environmentally responsible manner.
- To give priority to environmentally-friendly designs, materials and construction approach and explore green alternatives for our projects.
- To obtain sustainable building certification such as China Green Building Label, BEAM, LEED, WELL and other green building labels for our development projects where practicable.
- To favour consultants, contractors and suppliers who follow environmentally-friendly practices in providing their designs, services and products.
- To encourage our customers, business partners, employees and shareholders to embrace environmental stewardship by providing training, participating in environmental campaigns and supporting community activities.
- To raise awareness of staff and customers towards environmental issues through education and/or training and enlist their support in improving our performance.

Review of this Policy

The Company will review this Policy from time to time as appropriate.
